

The Eugene Chapter of the American Guild of Organists sees the promotion and fostering of interest in the organ amongst our younger musicians as integral to our mission. As such, the Chapter seeks to assist those interested in membership in the Guild with a \$25 subsidy (50%) towards the student rate, which includes a printed copy of *The American Organist* magazine. Applicants must reside or study within the geographical proximity of the Eugene Chapter and be 29 years of age or younger. Applications may be received, reviewed, and stipends granted anytime, with a priority deadline of August 1 to receive a full year's subscription to the magazine.
